Ticketing

Visitors to Berlin are keen on exploring the mass of events on offer. And they can choose from packed listings of a thousand events, museums, attractions, city tours and sports events each and every day.

To make it easy to experience the city, we work with various ticket systems - and are constantly expanding our ticket service. Rather than just giving Berlin visitors and locals information on events, we want to provide them with the right city passes and tickets - from the 3-day Museum Pass to tickets for pop concerts or sports events.

visitBerlin's ticket service is available online with an international reach, by phone from our Berlin Service Center (+49 30 - 25 00 25) and directly from our on-site Berlin Tourist Info Centres and selected hotels.

Our current partners are: CTS Eventim, TOMAS, visitate, Giant Monkey and the Prussian Palaces and Gardens Foundation Berlin-Brandenburg (SPSG) ticket shop.
