Our Berlin Online Seminars

Here we want to continuously present the **news of our exciting city**, because even in pandemic times - **Berlin never sleeps!** As long as we are restricted to travel, we will virtually come to your home. **45 minutes of compressed information!**

Take the opportunity and register for one of our online seminars.

What can you expect?

- Up-to-date information about our partners in Berlin (highlights, new openings etc.)
- Current information on our visitBerlin marketing activities (campaigns, key topics, etc.)
- Content tailored to the respective target group (country-specific, topic-specific)
- Direct exchange & Q&A with one of our store managers
- Special guests: Depending on the topic, we invite additional speakers

By the way: You have missed one of the seminars? No problem, below you can access our **previous seminars**.

Our upcoming seminars

The dates for further seminars are currently being planned. In order not to miss future seminars, subscribe to our newsletter "**Berlin Trade News**".
