Gay Berlin

LGBTI hotels - the pink pillow Berlin Collection

In **2011/2012**, a cooperation between visitBerlin and visitBerlin Partnerhotels created the **pink pillow Berlin Collection**, the **world's first hotel collection** for **LGBTI tourism** (lesbian, gay, bisexual, transgender, and intersexual). This exclusive hotel collection, only serving Berlin, ranges from private B&Bs to 5-star luxury hotels. The pink pillow Berlin Collection is independent of brands, chains and markets.

Under the pink pillow charter, all the participating hotels subscribe to these values:

- Treating all guests with the same **courtesy, dignity and respect**
- Creating a working environment of **respect and tolerance**
- Providing **information about the LGBTI scene**
- **Participating** in visitBerlin's **information days**
- **Playing an active role** in a LGBTI project

Working together with visitBerlin, the pink pillow Berlin Collection sets out to promote **Berlin** as a **cosmopolitan** and **tolerant** city, **expand** the **range of LGBTI offers** in Berlin and present them **transparently**.
