## Experience your city

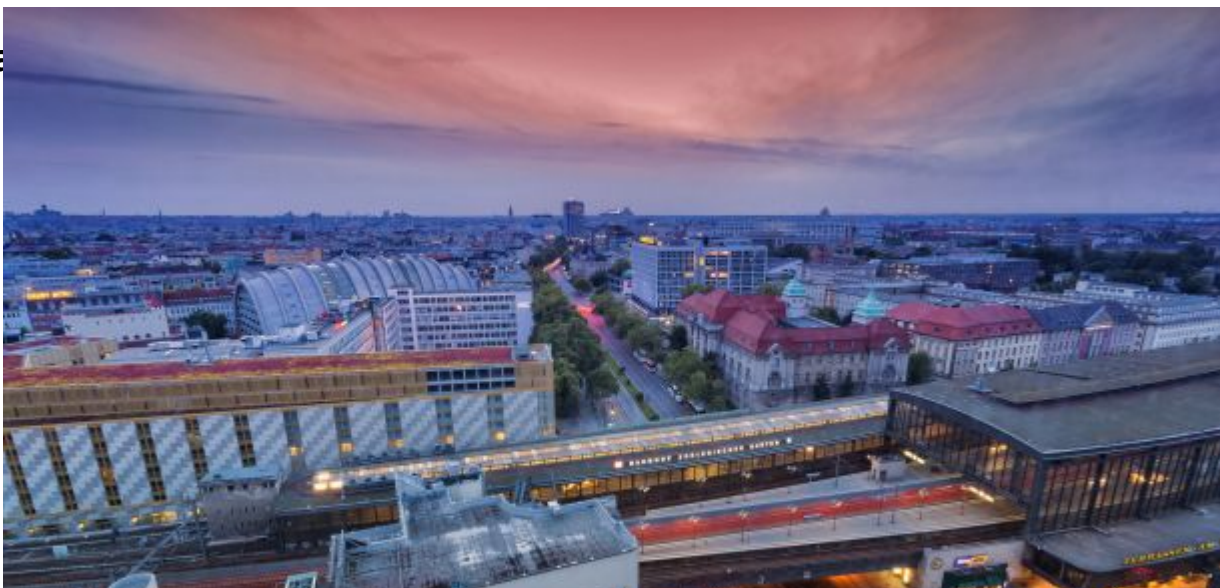

How does it feel to be a visitor in your own city? For the Experience Your City (Erlebe Deine Stadt) weekend, held annually in early January since 2010, Berlin residents are invited to take a short city break – in the city where they live! The weekend offer comprises one overnight stay with a welcome drink, dinner and breakfast, as well as free access to the hotel spa area. Some hotels also offer various events for their guests.

Starting in 2010 with 22 hotels, Experience Your City now has close to one hundred participating hotels – and for the last weekend, over 7000 Berlin residents enjoyed the offers available. This initiative is a way of saying thank you to all the many Berliners who welcome millions of guests to Germany's capital city every year. Experience Your City is realised by visitBerlin and the visitBerlin Partnerhotels association.
