### Currently opened hotels

Berlin's hotel offer is always extending. Recently the seventh hotel of the AMANO Group opened, called "AMO". Directly at the Friedrichstraße is this first hotel in Germany

which partially is located in the ground. A streetart hotel on a Berlin rooftop? That is "the niu Hide". A new hotel on the Frankfurter Allee that is characterized by consciousness, urbanity and individualism with its 152 rooms.

## **New openings end 2019-2022**

From September 2019 "The Student Berlin Alexanderplatz" welcomes its guests with 457 rooms. With a co-living principle, the house wants to network students, visitors to the city and Berliners with each other. "Selina", a Latin American hotel brand, is planning its first hotel in Berlin this year. The hotel is primarily intended for Millennials. The KPM Hotel & Residences in the Großer Tiergarten is expected to open in September 2022. The Loginn by Achat Hotel with its functionality, modern design and sophisticated technology is expected to welcome mainly business travellers in 180 rooms in Berlin-Schöneberg.

## **Convention hotels**

One of the most exciting construction projects in Berlin is the "Estrel Tower", which will increase its current room capacity of 1,125 rooms by an additional 814 rooms. With 176 metres and 46 storeys, the new tower will be about two-and-a-half-times as high as the current Hotel Estrel, making it highest hotel tower in Germany.

The **Campus-Hotel** in the Adlershof Technology Park will be built during 2018/2019 and will consist of a modern convention and conference hotel, Offering around 320 four-star category rooms. In planning are a spacious conference area with conference rooms and a large hall that will accommodate up to 1,000 participants, along with a multifunction hall for receptions and exhibitions. The pièce de resistance will be the skybar on the top floor of the 54-metre-high (177 foot) hotel tower.
