

Berlin Health Excellence

An initiative by *visitBerlin*

Let Berlin take care of you

- › Berlin Health Excellence is a marketing initiative to promote Berlin as a **medical destination**
- › Currently **10 partners** (6 medical providers & 4 accommodations) join ranks and participate in selected marketing activities
- › The **service** of all our partners focuses on the specific needs of the travelling patient:
 - **medical expertise** on a world-class level
 - **comfort and well-being** during the whole stay

Berlin as a medical destination

Why Berlin

- › More than 80 hospitals with approx. 20,600 beds
- › More than 10,300 hospital doctors // 18,300 nurses
- › Specialists in any medical field: Taking care of 0.88 million inpatients annually
- › Complete spectrum of care: prevention, diagnostics, treatment and rehabilitation
- › **Charité** – Europe's largest university hospital
- › **Deutsches Herzzentrum (DHZB)** – Biggest artificial heart program worldwide
- › **Helios** – Europe's leading private hospital operator

A photograph of a Berlin cityscape. In the foreground, a yellow and white S-Bahn train is blurred, moving from left to right. In the background, the red brick towers of the Berlin Hauptbahnhof (Main Station) are prominent against a sky with soft, orange-tinted clouds. Other city buildings and streetlights are visible in the mid-ground.

See you in Berlin!
