Leave-taking and longing, resentment and despair. The emotional experience of leaving East Germany for West Germany is never as intense as at Berlin's Friedrichstraße Station border crossing point, called the Tränenpalast - "Palace of Tears". Here, people directly experience the impact of a divided Germany on their personal lives. The role of the Tränenpalast only changes after the fall of the Berlin Wall.

	<p>The sprayed and glued artworks can be seen so densely in this lively part of Schöneberg that you hardly believe you are standing in the middle of an exhibition in the open air. There is something to discover everywhere. At regular intervals URBAN NATION, a young Berlin Street art network, brings national and international icons to the city. Their artworks can be seen all over this street and in the neighbouring streets, sometimes as meter-high murals, sometimes very small, almost hidden on posts and shutters.</p>	<p>URBAN NATION MUSEUM OF URBAN CONTEMPORARY ART Bülowstraße 7 10783 Berlin Tel.: +49 (0) 30 4708 2411 www.urban-nation.com</p>
