Choosing Berlin for your health

Looking for medical treatment?

... a specialised hospital?

... a highly qualified doctor and expert?

Capital of Health

Renowned as a top medical location, Berlin offers medical excellence, high-level medical care and highly-qualified experts, and is home for scientific tradition and innovation.

Berlin has an incomparable density of clinics and surgeries with a broad range of medical services. Nowhere else can you find medical engineering and biotechnology working as closely with clinical partners, or a similar landscape of medical knowledge and research.

Growing numbers of people from all over the world come to Berlin for preventative medicine, diagnostics and therapies. The best doctors and the right specialists, even for rare diseases, can be found in Berlin's hospitals and outpatient surgeries. The hospitals' dedicated International Offices provide all-round support for medical inquiries and travel preparation.

Why Berlin?
